Some Suggestions

- Look for the words in their home readers
- Make the words into sentence
- Make two sets of cards and use as a game, such as 'Snap' and 'Fish', or match the cards that are the same
- Use magnetic letters to make and remake the words
- Write the words in a tray of sand
- Use an old detergent bottle filled with water and "write" the words on concrete

You can download the flash cards off our website under Communication- Supporting your Child at Home– Reading.
