# Spelling Words

Dear Parents,

This folder contains Lists 6 & 7 from the Essential Words for Writing and Spelling lists. The spelling words will be tested regularly. The initial test and final test results for all year 2-6 children will be digitally stored and graphed. It is very important that your child learns these words to ensure fluent writing

The highlighted words are the words your child couldn't spell in the initial spelling test.

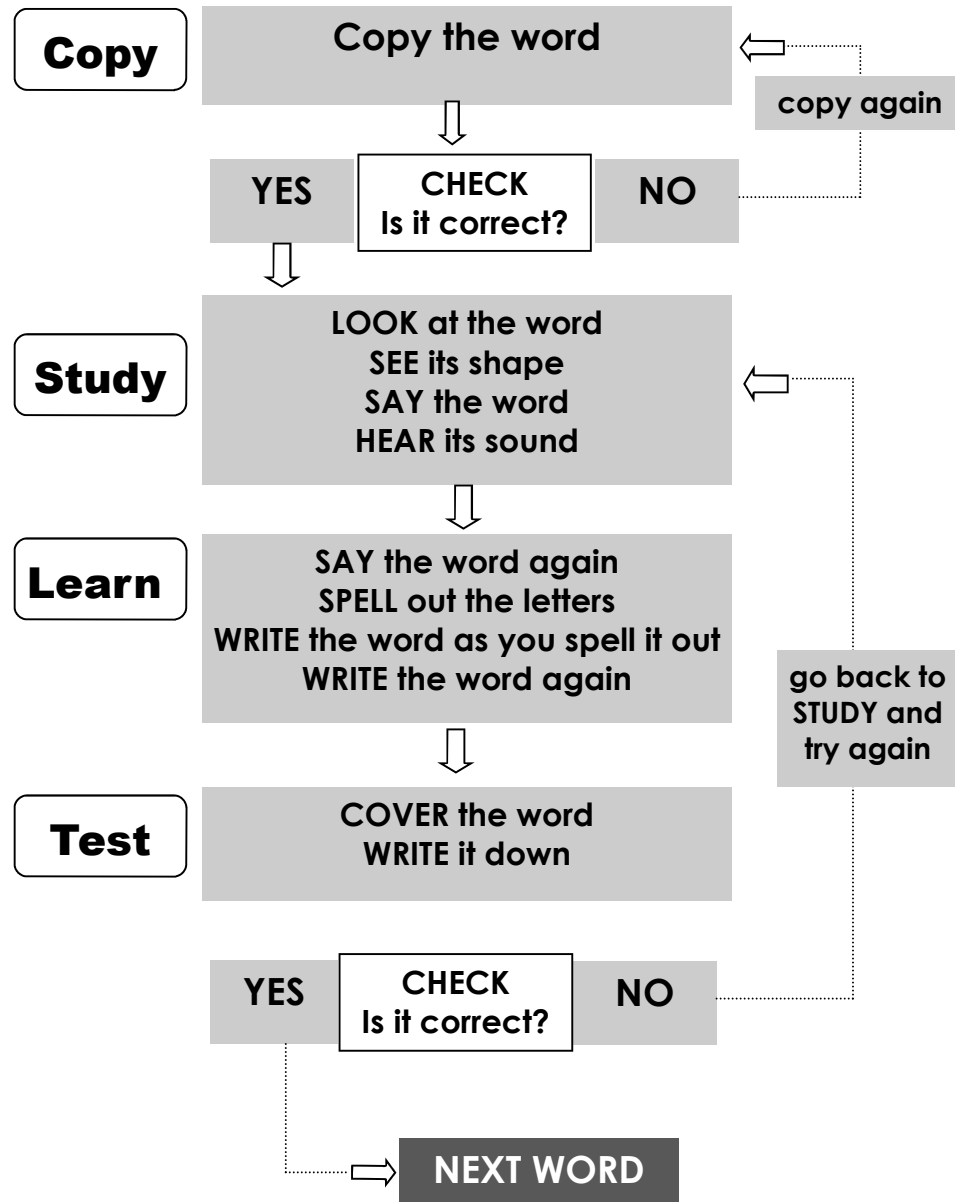

The chart on the opposite page is a suggested way to help your child learn these words. There are some other fun ways to learn new words on the back page.

Have fun learning,

Linda Lowden
