Why parents love MySchool.

"What an amazing service! Previously I've had to drive 90 minutes to the nearest shops with 3 children - in hot weather and crazy atmospheres - then stand for over an hour deciphering the school book codes, only to get home with items forgotten or the wrong books. This way was super fast, with no stress, cheaper prices and loyalty points for the school. Thank you so much for an awesome service!"

Nicola Hewitt - Parent

"An online link allowed me to select my son's school, and the subjects he was taking. I was then presented with a list of stationery each subject required, and that allowed me to tick boxes to select items (or not select them if I was doubling up). I could also add other items if I wanted to. Next, I paid online and the stationery was delivered free, two days later. The whole process was excellent - very quick..."
