Pigeon Mountain Primary School
22 Wells Road
Bucklands Beach
Auckland

Dear Staff and Students

I would like to take this opportunity to personally thank you for your very generous donation of food that you have collected for us.

The demand for our foodbank is always high, but of course with recent events we have seen it skyrocket.

We would not be able to support the people in our community without the assistance and generosity we receive from schools and organisations.

The collection that you have donated will go a long way to help people in our community.

Once again thank you for helping us serve our community.

Yours sincerely

A handwritten signature in blue ink, appearing to read "Rebecca Birchall", with a long horizontal line extending to the right.
