Pigeon Mountain School
Education with a Heart

**How to make the best
of your school tour.**

During your school tour

Look for...

**the bright and well organised
classroom environments**
**the way students are highly focused
and engaged in their learning**
**how the teachers are working
positively with their students**
**how students put the 4 school
values to use**

Listen for...

**the respectful way students speak
to each other**
**the way children are interacting
with adults in their room**
**children greeting visitors in a
friendly way.**
