Our campus sits in the suburb of Half Moon Bay, surrounded by homes and away from busy roads. We have large areas of open space, natural woodland, and big playgrounds where our children love to play.

SHORT TERM STUDY PROGRAMME.

短期学习计划

We have a great deal of experience hosting short term international students. In most cases, students are placed in classrooms with domestic students. Over 60% of our students are from Chinese families, meaning that visiting students are welcomed by bilingual children who are happy to help them settle quickly!

我们在接待短期国际学生方面拥有丰富的经验。通常情况下，学生会被安排在与本地学生一起的教室里学习。我们超过60%的学生来自华裔家庭，这意味着来访的学生受到双语同学的欢迎，我们的学生将很乐意帮助他们快速的安顿下来！
